Subject Index

A

AAFP
VBAC clinical policy: an AAFP guideline (*ed*), November 1, p. 1655

abortion
mifepristone and misoprostol in medical induction of abortion (*tip*), August, p. 608

abuse
orofacial manifestations of child abuse and neglect (*article*), November 1, p. 1829

ACE inhibitors
ACE inhibitors: myocardial infarction and congestive heart failure (*article*), November 1, p. 1801
ACE inhibitors in patients with congestive heart failure (*tip*), November 1, p. 1850
effects of ACE inhibitors in congestive heart failure (*tip*), October, p. 1506

acetaminophen
ibuprofen and acetaminophen in children with febrile seizure (*tip*), October, p. 1514

acid-base disorders
acid-base disorders: classification and management strategies (*article*), August, p. 584

acoustic neuroma
when to suspect an acoustic neuroma (*article*), November 1, p. 1768

acromegaly
diagnosis and treatment of acromegaly (*article*), July, p. 207

adolescents
diagnosis and management of ADD in adolescents (*tip*), August, p. 649
levonorgestrol vs. oral contraceptives in adolescents (*tip*), August, p. 613
low-dose hepatitis B vaccination in adolescents (*tip*), July, p. 282
patterns of psychoactive substance use among adolescents (*med soc*), November 1, p. 1693
rapid test for chlamydia and gonorrhea in adolescents (*tip*), September 1, p. 1014
tricyclic antidepressants in children and adolescents (*tip*), September 1, p. 1005

advance care planning
guidelines for facilitation of advance care planning (*tip*), September 1, p. 983

alcohol
association of alcohol and hypertensive disease (*tip*), October, p. 1513
effect of alcohol use on rates of mortality in women (*tip*), September 15, p. 1191
perioperative management of the alcohol-dependent patient (*article*), December, p. 2267
screening for alcohol abuse in the emergency department (*tip*), December, p. 2357

allergy
safety of measles vaccine in children with egg allergy (*tip*), September 1, p. 974

alprazolam
alprazolam vs. progesterone in the treatment of PMS (*tip*), November 15, p. 2085

Alzheimer's disease
early cognitive signs of Alzheimer's disease (*tip*), September 1, p. 972

amniocentesis
CDC publishes report on chorionic villus sampling and amniocentesis (*med rep*), September 15, p. 1210

amniotic
catalase activity test for intra-amniotic infection (*tip*), September 1, p. 977

amputation
diabetes and risk of lower extremity amputation (*tip*), August, p. 637

anabolic steroid
treatment of impotence related to anabolic steroid use (*tip*), August, p. 622

analgesia
combined spinal-epidural vs. standard epidural during labor (*tip*), November 1, p. 1853
effect of epidural analgesia on cervical dilation and labor (*tip*), September 1, p. 974

anesthetic agents
topical anesthetic agents for laceration repair in children (*tip*), August, p. 611

antibiotics
costs of duodenal ulcer therapy with antibiotics (*tip*), October, p. 1499
pneumococcal meningitis resistant to antibiotics (*tip*), November 1, p. 1904
resistant respiratory pathogens and extended-spectrum antiobiotics (*article*), November 1, p. 1739

anticoagulation therapy
anticoagulation therapy and the influenza vaccine (*tip*), November 15, p. 2093
costs of anticoagulation after myocardial infarction (*tip*), September 1, p. 990
secondary prophylaxis with oral anticoagulant therapy (*tip*), October, p. 1500

antidepressants
patient compliance with SSRIs and tricyclic antidepressants (*tip*), October, p. 1563
tricyclic antidepressants in children and adolescents (*tip*), September 1, p. 1005

antihistamines
antihistamines: the old and the new (*article*), August, p. 593

antihypertensive therapy
abrupt discontinuation of antihypertensive therapy (*tip*), July, p. 285

anxiety
barriers to diagnosing anxiety disorders in family practice (*article*), August, p. 447
impact of prenatal education on postpartum anxiety (*tip*), August, p. 646

apnea
adult sleep apnea syndromes (*article*), September 1, p. 859

arthritis
prednisolone for early treatment of rheumatoid arthritis (*tip*), November 1, p. 1866
radiology of rheumatoid arthritis (*article*), October, p. 1372
use of hydroxychloroquine in rheumatoid arthritis (*tip*), July, p. 274

aspiration biopsy
fine-needle aspiration biopsy of the breast (*article*), November 15, p. 2021

aspirin
prophylactic aspirin use and risk of peptic ulcer bleeding (*tip*), September 1, p. 1002
safety of low-dose aspirin therapy during pregnancy (*tip*), September 15, p. 1184

asthma
asthma: diagnosis and management (*article*), December, p. 2225
efficacy of immunotherapy in patients with asthma (*tip*), September 1, p. 989
reducing hospitalization of children with asthma (*tip*), September 1, p. 984
relapse after emergency treatment of acute asthma (*tip*), November 1, p. 1858
tolerance due to long-acting beta agonists in asthma (*tip*), November 1, p. 1850
viral infections and asthma exacerbations in children (*tip*), October, p. 1551

atherosclerosis
intake of vitamin E and delay of coronary atherosclerosis (*tip*), November 1, p. 1888

athletes
discharge instructions after head injury in young athletes (*tip*), August, p. 627

attention deficit disorder
diagnosis and management of ADD in adolescents (*tip*), August, p. 649

B

back pain
diagnosis and management of low back pain and sciatica (*article*), October, p. 1333

bacteremia
factors for prediction of bacteremia in the elderly (*tip*), September 1, p. 1011

Index to Volume 52

bacteriuria
prevalence and significance of bacteriuria in elderly women (*tip*), October, p. 1554
treatment of bacteriuria in nursing home residents (*tip*), October, p. 1539

benign prostatic hyperplasia
managing patients with benign prostatic hyperplasia (*article*), July, p. 135

beta agonists
tolerance due to long-acting beta agonists in asthma (*tip*), November 1, p. 1850

beta blockers
beta blockers after myocardial infarction in older patients (*tip*), December, p. 2347

birth weight
very-low-birth-weight infants and impact on the family (*tip*), July, p. 277
zinc supplementation and effect on birth weight (*tip*), December, p. 2342

bites
management of cat and dog bites (*article*), August, p. 479

blood loss
reliable assessment of menstrual blood loss (*tip*), September 1, p. 985

blood transfusion
NIH develops consensus statement on infectious disease testing for blood transfusions (*med rep*), December, p. 2391

body mass index
waist circumference as a marker of body mass index (*tip*), October, p. 1567

borderline personality disorder
recognizing borderline personality disorder in the family practice setting (*article*), September 1, p. 908

bottle feeding
dental caries as a result of inappropriate bottle feeding (*tip*), November 1, p. 1860

breast biopsy
fine-needle aspiration biopsy of the breast (*article*), November 15, p. 2021

breast nodules
diagnostic ultrasonography for solid breast nodules (*tip*), October, p. 1524

breast cancer
diagnosis of breast cancer in women with silicone implants (*tip*), September 1, p. 1013
differentiating inflammatory breast cancer from acute mastitis (*article*), September 1, p. 929
effect of cigarette smoking on risk of breast cancer (*tip*), October, p. 1532
use of estrogen and progestin and the risk of breast cancer (*tip*), November 1, p. 1879

breast feeding
breast feeding and rate of recurrent wheeze (*tip*), November 1, p. 1868
effect of early pacifier use on breast feeding duration (*tip*), September 1, p. 998
rates of breast feeding in low-income populations (*tip*), December, p. 2368

breath test
breath test screening for *Helicobacter pylori* (*tip*), August, p. 646

breech
external cephalic version for breech position at term (*tip*), November 1, p. 1876

C

CA 19-9, CA 72-4
screening for recurrent gastric carcinoma: CA 72-4 and CA 19-9 (*tip*), September 1, p. 969

calcipotriene
treatment of psoriasis: role of calcipotriene (*article*), July, p. 237

calf
calf asymmetry in patients with suspected pulmonary embolism (*tip*), August, p. 610

cancer (see also carcinoma)
diagnosis of breast cancer in women with silicone implants (*tip*), September 1, p. 1013
differentiating inflammatory breast cancer from acute mastitis (*article*), September 1, p. 929
effect of cigarette smoking on risk of breast cancer (*tip*), October, p. 1532
impact of family history and parity on ovarian cancer risk (*tip*), September 1, p. 998
review of the TNM system of cancer staging (*tip*), December, p. 2352
screening for cancer: a review and a look ahead (*tip*), November 1, p. 1888
use of estrogen and progestin and the risk of breast cancer (*tip*), November 1, p. 1879

captopril
use of captopril after acute myocardial infarction (*tip*), July, p. 253

carbamazepine
lamotrigine vs. carbamazepine in newly diagnosed epilepsy (*tip*), August, p. 641

carcinoma (see also cancer)
screening for recurrent gastric carcinoma: CA 72-4 and CA 19-9 (*tip*), September 1, p. 969

cardiac rehabilitation
cardiac rehabilitation as secondary prevention (*article*), December, p. 2257

cardiac troponin I
cardiac troponin I: a marker of myocardial injury (*tip*), November 1, p. 1871

cardiopulmonary bypass
complications after cardiopulmonary bypass (*tip*), October, p. 1531

caries
dental caries as a result of inappropriate bottle feeding (*tip*), November 1, p. 1860

carotid endarterectomy
value of carotid endarterectomy in asymptomatic patients (*tip*), October, p. 1492

carotid stenosis
carotid stenosis in candidates for lower-extremity bypass (*tip*), December, p. 2357

catalase
catalase activity test for intra-amniotic infection (*tip*), September 1, p. 977

cephalic version
external cephalic version for breech position at term (*tip*), November 1, p. 1876

cesarean section
trial of labor vs. elective repeat cesarean section (*article*), November 1, p. 1763

children
AAP issues interim policy recommendations for fluoride supplementation for children (*med rep*), July, p. 298
abdominal roentgenograms in children with encopresis (*tip*), November 1, p. 1864
American Academy of Pediatrics issues treatment guidelines for lead exposure in children (*med rep*), September 1, p. 1019
children and tobacco: the Clinton administration proposal (*FDA*), September 15, p. 1205
diagnosis and treatment of Lyme disease in children (*tip*), December, p. 2347
food advertisements on children's television (*tip*), October, p. 1522
ibuprofen and acetaminophen in children with febrile seizure (*tip*), October, p. 1514
immunization of children: physician and parent concerns (*tip*), November 1, p. 1875
nonfatal injuries among children and youth (*tip*), November 1, p. 1885
orofacial manifestations of child abuse and neglect (*article*), November 1, p. 1829
outpatient management of pediatric bacterial meningitis (*tip*), July, p. 261
reducing hospitalization of children with asthma (*tip*), September 1, p. 984
safety of ibuprofen use in febrile children (*tip*), August, p. 653
safety of measles vaccine in children with egg allergy (*tip*), September 1, p. 974
significance of symptoms of *H. pylori* infection in children (*tip*), October, p. 1535
significance of tachypnea in febrile children (*tip*), September 1, p. 996
significance of wheezing in infants and young children (*tip*), July, p. 276
signs and symptoms of acute otitis media in children (*tip*), July, p. 261
topical anesthetic agents for laceration repair in children (*tip*), August, p. 611
tricyclic antidepressants in children and adolescents (*tip*), September 1, p. 1005
viral infections and asthma exacerbations in children (*tip*), October, p. 1551

chlamydia
Chlamydia trachomatis infection update (*article*), October, p. 1455
rapid test for chlamydia and gonorrhea in adolescents (*tip*), September 1, p. 1014

chorionic villus sampling
CDC publishes report on chorionic villus sampling and amniocentesis (*med rep*), September 15, p. 1210

cigarette
branded: cigarette preferences in the medical record (*ed*), September 1, p. 750
effect of cigarette smoking on risk of breast cancer (*tip*), October, p. 1532

circumcision
neonatal circumcision techniques (*article*), August, p. 511

cisapride
cisapride for treatment of esophageal reflux (*tip*), August, p. 649

cochlea
NIH develops consensus statement on cochlear implants (*med rep*), October, p. 1574

colic
incidence of infantile colic and parental perceptions (*tip*), September 1, p. 1013
intranasal desmopressin for acute renal colic (*tip*), September 1, p. 1001

communication
quality of communication during office visits (*tip*), November 1, p. 1912

compliance
patient compliance with screening mammography (*tip*), August, p. 621

congestive heart failure
ACE inhibitors: myocardial infarction and congestive heart failure (*article*), November 1, p. 1801
ACE inhibitors in patients with congestive heart failure (*tip*), November 1, p. 1850
effects of ace inhibitors in congestive heart failure (*tip*), October, p. 1506

contraceptives
levonorgestrol vs. oral contraceptives in adolescents (*tip*), August, p. 613

constipation
value of fiber for treatment of constipation in the elderly (*tip*), October, p. 1527

coronary disease
American Heart Association issues statement on preventive strategies in coronary disease (*med rep*), October, p. 1577

correction
adult immunizations—a practical approach for clinicians: part II (*clinical quiz*), August, p. 388; November 1, p. 1689
diagnosis and treatment of acromegaly (*clinical quiz*), September 1, p. 782
modern management of acute diarrhea and dehydration in children (*clinical quiz*), August, p. 388
new physician organization for promotion of breast feeding (*letter*), October, p. 1290
seborrheic dermatitis (*article*), September 1, p. 782

corticosteroid
adverse effects due to use of topical corticosteroids (*tip*), September 1, p. 997
corticosteroid injection therapy for overuse injuries (*article*), November 1, p. 1811
corticosteroids in outpatient management of croup (*tip*), November 1, p. 1849
impact of antenatal corticosteroid treatment (*tip*), November 1, p. 1917

credentialing
bringing science and rationality to privileging and credentialing issues (*med soc*), September 1, p. 785

croup
corticosteroids in outpatient management of croup (*tip*), November 1, p. 1849

CT scan
necessity of CT scanning in cases of mild head trauma (*tip*), November 1, p. 1879

Cushing's disease
multiple stress fractures and Cushing's disease (*tip*), August, p. 645

D

death
Oregon death with dignity act (*med soc*), August, p. 398

dementia
driving ability and dementia: a prospective study (*tip*), October, p. 1536
management of behavior problems in the demented patient (*article*), December, p. 2311

dental
medical care of the dental patient (*article*), September 15, p. 1126

depression
problem-solving therapy in management of depression (*tip*), August, p. 625
screening instruments for identification of depression (*tip*), October, p. 1559
underreporting of depressive symptoms in elderly persons (*tip*), November 1, p. 1887

dermatitis
seborrheic dermatitis (*article*), July, p. 149

desmopressin
intranasal desmopressin for acute renal colic (*tip*), September 1, p. 1001

diabetes mellitus
combination therapy vs. insulin alone in NIDDM (*tip*), September 1, p. 1005
DCCT findings and standards of care for diabetes (*ed*), September 15, p. 1092
diabetes and risk of lower extremity amputation (*tip*), August, p. 637
oral hypoglycemic agents in type II diabetes mellitus (*article*), November 15, p. 2075
preventing chronic renal failure in diabetes (*ed*), November 1, p. 1660

diet
dysphagia and diet alterations in nursing home residents (*tip*), September 15, p. 1187

disabilities
individuals with disabilities education act: early intervention by family physicians (*med soc*), July, p. 71

discectomy
use of anterior laparoscopic lumbar discectomy (*tip*), October, p. 1521

diuretic
safety of diuretic use in patients with hypertension (*tip*), August, p. 611

domestic violence
ACOG issues Technical Bulletin on domestic violence (*med rep*), December, p. 2387
domestic violence: results of a written questionnaire (*tip*), October, p. 1559

Doppler
Doppler ultrasonography in high-risk pregnancies (*tip*), October, p. 1502

driving
driving ability and dementia: a prospective study (*tip*), October, p. 1536

dysphagia
dysphagia and diet alterations in nursing home residents (*tip*), September 15, p. 1187

dysphoria
effectiveness of fluoxetine in premenstrual dysphoria (*tip*), October, p. 1568

E

ear
NIH develops consensus statement on cochlear implants (*med rep*), October, p. 1574

elderly
beta blockers after myocardial infarction in older patients (*tip*), December, p. 2343
clinical significance of weight loss in elderly persons (*tip*), August, p. 608
factors for prediction of bacteremia in the elderly (*tip*), September 1, p. 1011
hypertension in the elderly (*article*), September 15, p. 1161
predictors of nursing home placement in elderly patients (*tip*), October, p. 1547
preoperative assessment of risk in older adults (*tip*), November 15, p. 2084
prevalence and significance of bacteriuria in elderly women (*tip*), October, p. 1554
review of nutrition screening methods in elderly persons (*tip*), October, p. 1509
treatment of drug-induced parkinsonism in elderly persons (*tip*), October, p. 1495
underreporting of depressive symptoms in elderly persons (*tip*), November 1, p. 1887
value of fiber for treatment of constipation in the elderly (*tip*), October, p. 1527

encopresis
abdominal roentgenograms in children with encopresis (*tip*), November 1, p. 1864

endometriosis
current medical and surgical management of endometriosis (*tip*), September 15, p. 1198
GnRH agonist therapy for endometriosis (*tip*), October, p. 1518

endometritis
chronic endometritis (*article*), July, p. 217

epicondylitis
value of MRI in evaluation of refractory epicondylitis (*tip*), November 1, p. 1892

epidural analgesia
combined spinal-epidural vs. standard epidural during labor (*tip*), November 1, p. 1853
effect of epidural analgesia on cervical dilation and labor (*tip*), September 1, p. 974

epilepsy
lamotrigine vs. carbamazepine in newly diagnosed epilepsy (*tip*), August, p. 641
seizure-free remission in patients with epilepsy (*tip*), November 1, p. 1910

esophageal reflux
cisapride for treatment of esophageal reflux (*tip*), August, p. 649

estrogen
use of estrogen and progestin and the risk of breast cancer (*tip*), November 1, p. 1879

ethics
care at the twilight: ethics and end-of-life care (*med soc*), October, p. 1294

exercise
exercise prescription (*article*), August, p. 543

eye injuries
evaluating ocular trauma with ultrasonography (*tip*), October, p. 1536
vitreoretinal emergencies (*article*), October, p. 1415

F

family planning
natural family planning (*article*), November 1, p. 1749

Index to Volume 52

febrile seizure
- febrile seizures: a decision-making analysis (*article*), October, p. 1401
- ibuprofen and acetaminophen in children with febrile seizure (*tip*), October, p. 1514

fetal medicine
- fetal medicine: treating the unborn patient (*article*), October, p. 1385

fever
- postpartum fever (*article*), August, p. 531

fiber
- value of fiber for treatment of constipation in the elderly (*tip*), October, p. 1527

fibrokeratoma
- acquired digital fibrokeratoma (*article*), October, p. 1365

fibromyalgia
- fibromyalgia: more than just a musculoskeletal disease (*article*), September 1, p. 843

flank pain
- evaluating acute flank pain with radiologic techniques (*tip*), August, p. 634

fluoride
- AAP issues interim policy recommendations for fluoride supplementation for children (*med rep*), July, p. 298

fluoxetine
- effectiveness of fluoxetine in premenstrual dysphoria (tip), October, p. 1568

folic acid
- folic acid and prevention of congenital orofacial clefts (*tip*), November 15, p. 2086

food advertisements
- food advertisements on children's television (*tip*), October, p. 1522

forceps
- maternal and neonatal effects of low-forceps delivery (*tip*), November 15, p. 2084

formula
- relationship of infant formula to gastrointestinal symptoms (*tip*), July, p. 284

Fournier's gangrene
- Fournier's gangrene: a urologic emergency (*article*), November 1, p. 1821

fracture
- multiple stress fractures and Cushing's disease (*tip*), August, p. 645
- office orthopedics: thumb spica casting for scaphoid fractures (*article*), September 15, p. 1113

G

gallbladder
- laparoscopic cure of gallbladder symptoms (*tip*), September 15, p. 1196
- outcome of gallbladder surgery in a small rural hospital (*tip*), July, p. 277

gangrene
- Fournier's gangrene: a urologic emergency (*article*), November 1, p. 1821

gastric
- screening for recurrent gastric carcinoma: CA 72-4 and CA 19-9 (*tip*), September 1, p. 969

gastroesophageal reflux disease
- prokinetic therapy for gastroesophageal reflux disease (*article*), September 1, p. 957

genital infection
- noncervical human papillomavirus genital infections (*article*), September 15, p. 1137

glaucoma
- glaucoma: early detection and therapy for vision loss (*article*), December, p. 2289
- glaucoma screening: a golden opportunity (*ed*), December, p. 2167

gonorrhea
- rapid test for chlamydia and gonorrhea in adolescents (*tip*), September 1, p. 1014

GnRH agonist
- GnRH agonist therapy for endometriosis (*tip*), October, p. 1518
- role of GnRH agonist therapy before hysterectomy (*tip*), July, p. 253

growth hormone
- growth hormone therapy in idiopathic short stature (*tip*), October, p. 1542

H

head injury
- discharge instructions after head injury in young athletes (*tip*), August, p. 627
- necessity of CT scanning in cases of mild head trauma (*tip*), November 1, p. 1879

health status
- assessment of patient health status after elective surgery (*tip*), October, p. 1509

heart disease
- current surgical treatment of valvular heart disease (*article*), August, p. 559

heart failure
- ACE inhibitors: myocardial infarction and congestive heart failure (*article*), November 1, p. 1801
- ACE inhibitors in patients with congestive heart failure (*tip*), November 1, p. 1850
- effects of ACE inhibitors in congestive heart failure (*tip*), October, p. 1506

Helicobacter pylori
- breath test screening for *Helicobacter pylori* (*tip*), August, p. 646
- *Helicobacter pylori* and gastrointestinal disease (*article*), November 1, p. 1717
- omeprazole in eradication of *Helicobacter pylori* (*tip*), September 1, p. 978
- significance of symptoms of *H. pylori* infection in children (*tip*), October, p. 1535

helminths
- common intestinal helminths (*article*), November 15, p. 2039

hemorrhoids
- nonsurgical treatment options for internal hemorrhoids (*article*), September 1, p. 821

hepatitis A
- suggested recommendations for hepatitis A vaccination (*tip*), October, p. 1514

hepatitis B
- low-dose hepatitis B vaccination in adolescents (*tip*), July, p. 282

hepatitis C
- risk of transmission of hepatitis C to family members (*tip*), September 1, p. 992

hepatobiliary
- hepatobiliary complications of inflammatory bowel disease (*article*), October, p. 1440

hiccups
- benign, persistent and intractable hiccups: a review (*tip*), July, p. 269

hip fracture
- risk factors for incidence of hip fracture in white women (*tip*), August, p. 653

hirsutism
- a practical approach to hirsutism (*article*), November 1, p. 1837

HIV
- CDC advocates routine counseling and voluntary testing for HIV in all pregnant women (*med rep*), September 1, p. 1019
- clearance of HIV in an infant infected in the perinatal period (*tip*), July, p. 258
- early zidovudine treatment for patients with HIV infection (*tip*), December, p. 2354
- guidelines issued for prevention of opportunistic infections in persons with HIV (*med rep*), November 1, p. 1921
- role of energy balance in HIV-associated wasting (*tip*), November 1, p. 1866
- zidovudine and prevention of perinatal HIV transmission (*ed*), September 1, p. 745

human papillomavirus
- noncervical human papillomavirus genital infections (*article*), September 15, p. 1137

hydroxychloroquine
- use of hydroxychloroquine in rheumatoid arthritis (*tip*), July, p. 274

hydroxyurea
- hydroxyurea for management of painful sickle cell crises (*tip*), September 15, p. 1200

hygroscopic dilators
- PGE_2 gel vs. hygroscopic dilators in cervical ripening (*tip*), August, p. 654

hyperemesis gravidarum
- nutritional status of patients with hyperemesis gravidarum (*tip*), September 15, p. 1191

hypertension
- association of alcohol and hypertensive disease (*tip*), October, p. 1513
- clinical implications of white coat hypertension (*article*), July, p. 163
- hypertension in the elderly (*article*), September 15, p. 1161
- safety of diuretic use in patients with hypertension (*tip*), August, p. 611
- white coat hypertension: to treat or not to treat (*ed*), July, p. 48

hypoglycemia
- hypoglycemia and insulin therapy during pregnancy (*tip*), August, p. 650

hypoglycemic agents
- oral hypoglycemic agents in type II diabetes mellitus (*article*), November 15, p. 2075

hypotension
- clinical characteristics of orthostatic hypotension (*tip*), December, p. 2370

hysterectomy
- role of GnRH agonist therapy before hysterectomy (*tip*), July, p. 253

I

ibuprofen
ibuprofen and acetaminophen in children with febrile seizure (*tip*), October, p. 1514
safety of ibuprofen use in febrile children (*tip*), August, p. 653

immunization
immunization of children: physician and parent concerns (*tip*), November 1, p. 1875

immunotherapy
efficacy of immunotherapy in patients with asthma (*tip*), September 1, p. 989

impotence
treatment of impotence related to anabolic steroid use (*tip*), August, p. 622

infant
analgesic effect of oral sucrose solution in newborn infants (*tip*), October, p. 1517
clearance of HIV in an infant infected in the perinatal period (*tip*), July, p. 258
incidence of infantile colic and parental perceptions (*tip*), September 1, p. 1013
influence of recommendations for infant sleep position (*tip*), November 15, p. 2100
relationship of infant formula to gastrointestinal symptoms (*tip*), July, p. 284
review of tests for the diagnosis of neonatal sepsis (*tip*), September 15, p. 1184
significance of wheezing in infants and young children (*tip*), July, p. 276
value of lumbar puncture in neonates with sepsis (*tip*), November 1, p. 1880
very-low-birth-weight infants and impact on the family (*tip*), July, p. 277

inflammatory bowel disease
hepatobiliary complications of inflammatory bowel disease (*article*), October, p. 1440

influenza
ACIP updates recommendations for the use of antiviral agents in influenza (*med rep*), August, p. 659
anticoagulation therapy and the influenza vaccine (*tip*), November 15, p. 2093
CDC releases update on influenza activity and on composition of 1995-96 influenza vaccine (*med rep*), July, p. 298

ingrown toenail
management of ingrown toenails (*article*), July, p. 181

insulin
combination therapy vs. insulin alone in NIDDM (*tip*), September 1, p. 1005
hypoglycemia and insulin therapy during pregnancy (*tip*), August, p. 650

intestinal helminths
common intestinal helminths (*article*), November 15, p. 2039

iron
long-term effects of iron supplements during pregnancy (*tip*), November 1, p. 1895

ivermectin
effectiveness of ivermectin in the treatment of scabies (*tip*), October, p. 1552

J

K

L

labor
combined spinal-epidural vs. standard epidural during labor (*tip*), November 1, p. 1853
effect of epidural analgesia on cervical dilation and labor (*tip*), September 1, p. 974

laceration
topical anesthetic agents for laceration repair in children (*tip*), August, p. 611

lactose intolerance
lactose intolerance in relation to amount of milk ingested (*tip*), November 1, p. 1904

lamotrigine
lamotrigine vs. carbamazepine in newly diagnosed epilepsy (*tip*), August, p. 641

laparoscopic
laparoscopic cure of gallbladder symptoms (*tip*), September 15, p. 1196
use of anterior laparoscopic lumbar discectomy (*tip*), October, p. 1521

lead
American Academy of Pediatrics issues treatment guidelines for lead exposure in children (*med rep*), September 1, p. 1019

leg cramps
effect of magnesium on leg cramps during pregnancy (*tip*), October, p. 1499
leg cramps: differential diagnosis and management (*article*), November 1, p. 1794

leprosy
early diagnosis and treatment of leprosy in the United States (*article*), July, p. 172

levonorgestrol
levonorgestrol vs. oral contraceptives in adolescents (*tip*), August, p. 613

low-income populations
rates of breast-feeding in low-income populations (*tip*), December, p. 2368

lower-extremity bypass
carotid stenosis in candidates for lower-extremity bypass (*tip*), December, p. 2353

lumbar puncture
results of lumbar puncture in patients with latent syphilis (*tip*), November 15, p. 2093
value of lumbar puncture in neonates with sepsis (*tip*), November 1, p. 1880

lyme disease
diagnosis and treatment of lyme disease in children (*tip*), December, p. 2343

M

magnesium
effect of magnesium on leg cramps during pregnancy (*tip*), October, p. 1499
value of magnesium sulfate in prevention of eclamptic seizure (*tip*), November 1, p. 1907

mammography
patient compliance with screening mammography (*tip*), August, p. 621

magnetic resonance imaging
value of MRI in evaluation of refractory epicondylitis (*tip*), November 1, p. 1892

mastitis
differentiating inflammatory breast cancer from acute mastitis (*article*), September 1, p. 929

measles
safety of measles vaccine in children with egg allergy (*tip*), September 1, p. 974

medical students
family physicians reaching out to medical students (*ed*), August, p. 403

meningitis
outpatient management of pediatric bacterial meningitis (*tip*), July, p. 261
pneumococcal meningitis resistant to antibiotics (*tip*), November 1, p. 1904

menstruation
reliable assessment of menstrual blood loss (*tip*), September 1, p. 985

mifepristone
mifepristone and misoprostol in medical induction of abortion (*tip*), August, p. 608

milk
lactose intolerance in relation to amount of milk ingested (*tip*), November 1, p. 1904

misoprostol
mifepristone and misoprostol in medical induction of abortion (*tip*), August, p. 608
prevention of NSAID-induced ulcers with misoprostol (*tip*), December, p. 2345

myocardial infarction
ACE inhibitors: myocardial infarction and congestive heart failure (*article*), November 1, p. 1801
beta blockers after myocardial infarction in older patients (*tip*), December, p. 2343
cardiac troponin I: a marker of myocardial injury (*tip*), November 1, p. 1871
costs of anticoagulation after myocardial infarction (*tip*), September 1, p. 990
indicators of non–Q-wave acute myocardial infarction (*tip*), September 15, p. 1188
use of captopril after acute myocardial infarction (*tip*), July, p. 253

N

neonates
value of lumbar puncture in neonates with sepsis (*tip*), November 1, p. 1880

neuroma
when to suspect an acoustic neuroma (*article*), November 1, p. 1768

neurosyphilis
assessing adequacy of treatment for neurosyphilis (*tip*), November 1, p. 1876

nitrate
oral nitrate preparations: an update (*article*), December, p. 2331

nitroglycerin
effectiveness of transdermal nitroglycerin therapy (*tip*), September 1, p. 1006

NSAIDs
photosensitivity reactions: a case report involving NSAIDs (*article*), August, p. 575
prevention of NSAID-induced ulcers with misoprostol (*tip*), December, p. 2341

nursing home
dysphagia and diet alterations in nursing home residents (*tip*), September 15, p. 1187
factors in predicting skilled nursing home placement (*tip*), July, p. 266

Index to Volume 52

hospital vs. nursing home treatment of pneumonia (*tip*), October, p. 1505
overuse of medications in nursing home residents (*tip*), December, p. 2362
predictors of nursing home placement in elderly patients (*tip*), October, p. 1547
treatment of bacteriuria in nursing home residents (*tip*), October, p. 1539

nutrition
review of nutrition screening methods in elderly persons (*tip*), October, p. 1509

O

occupational respiratory disorders
common clinical presentations of occupational respiratory disorders (*article*), September 1, p. 939

ocular
evaluating ocular trauma with ultrasonography (*tip*), October, p. 1536

omeprazole
omeprazole in eradication of *Helicobacter pylori* (*tip*), September 1, p. 978

opioid
use of ambulatory opioid detoxification: two protocols (*tip*), October, p. 1527

orofacial
folic acid and prevention of congenital orofacial clefts (*tip*), November 15, p. 2086
orofacial manifestations of child abuse and neglect (*article*), November 1, p. 1829

osteomyelitis
detecting osteomyelitis by probing pedal ulcers (*tip*), August, p. 632

otitis media
signs and symptoms of acute otitis media in children (*tip*), July, p. 261

ovarian cancer
impact of family history and parity on ovarian cancer risk (*tip*), September 1, p. 998

P

pacifier
effect of early pacifier use on breast feeding duration (*tip*), September 1, p. 998

pain
evaluating acute flank pain with radiologic techniques (*tip*), August, p. 634

pancreatitis
acute pancreatitis: diagnosis and management (*article*), August, p. 435

panic disorder
panic disorder (*article*), November 15, p. 2055
panic disorder and the primary care physician (*ed*), November 15, p. 1999

Papanicolaou smear
management of patients with atypical and low-grade Pap smear abnormalities (*article*), December, p. 2243
optimal treatment of inflammation on Pap smear (*tip*), December, p. 2360

papillomavirus
noncervical human papillomavirus genital infections (*article*), September 15, p. 1137

parkinsonism
treatment of drug-induced parkinsonism in elderly persons (*tip*), October, p. 1495

patient education
patient information and education initiative (*FDA*), December, p. 2377

patient information
beginning an exercise program (*pt info*), August, p. 553
caring for a family member with dementia (*pt info*), December, p. 2321
deciding about circumcision (*pt info*), August, p. 519
fibromyalgia: what it is and how to manage it (*pt info*), September 1, p. 853
how to care for your cast (*pt info*), September 15, p. 1120
methods of natural family planning (*pt info*), November 1, p. 1759
nonsurgical treatment of hemorrhoids (*pt info*), September 1, p. 839
occupational respiratory diseases: your workplace and your lungs (*pt info*), September 1, p. 951
panic disorder—panic attacks and agoraphobia (*pt info*), November 15, p. 2067
pinworms and your child (*pt info*), November 15, p. 2051
plantar fasciitis: a common cause of heel pain (*pt info*), September 1, p. 90
prenatal diagnosis—amniocentesis and CVS (*pt info*), December, p. 2285
seborrheic dermatitis: what it is and how to treat it (*pt info*), July, p. 159
somatoform disorder: how to cope with it (*pt info*), July, p. 204
tips on how to stop using smokeless tobacco (*pt info*), October, p. 1433
ulcers and bacteria—the role of *H. pylori* (*pt info*), November 1, p. 1729
what can be done for psoriasis (*pt info*), July, p. 243
what every parent should know about febrile seizures (*pt info*), October, p. 1409
what to do about a cat or dog bite (*pt info*), August, p. 489
what to do about a chlamydial infection (*pt info*), October, p. 1462
what to do about an enlarged prostate (*pt info*), July, p. 145
what to do about ingrown toenails (*pt info*), July, p. 189
what to do if you have excess hair (*pt info*), November 1, p. 1845
what you can do about heartburn (*pt info*), September 1, p. 965
what you can do about low back pain (*pt info*), October, p. 1347
what you can do about sleep apnea (*pt info*), September 1, p. 871
what you should know about genital warts (*pt info*), October, p. 1149
what you should know about glaucoma (*pt info*), December, p. 2303
when your worries become an anxiety disorder (*pt info*), August, p. 455

perineum
early secondary repair of severe perineal lacerations (*tip*), November 1, p. 1849

peritonitis
subacute bacterial peritonitis: diagnosis and treatment (*tip*), August, p. 645

PGE_2 gel
PGE_2 gel vs. hygroscopic dilators in cervical ripening (*tip*), August, p. 654

pharmaceutical representatives
accuracy of information from pharmaceutical representatives (*tip*), September 1, p. 978

photosensitivity
photosensitivity reactions: a case report involving NSAIDs (*article*), August, p. 575

plantar fasciitis
use of posterior night splints in the treatment of plantar fasciitis (*article*), September 1, p. 891

pleural effusion
diagnosis and management of malignant pleural effusions (*tip*), November 1, p. 1886

PMS
alprazolam vs. progesterone in the treatment of PMS (*tip*), November 15, p. 2085

pneumococcal
pneumococcal meningitis resistant to antibiotics (*tip*), November 1, p. 1904

pneumonia
hospital vs. nursing home treatment of pneumonia (*tip*), October, p. 1505
tolerance of prophylaxis for *Pneumocystis carinii* pneumonia (*tip*), July, p. 281

Pneumocystis carinii
tolerance of prophylaxis for *Pneumocystis carinii* pneumonia (*tip*), July, p. 281

portable transducer catheter
diagnosis of sleep apnea using portable transducer catheter (*tip*), December, p. 2365

postmenopausal bleeding
transvaginal ultrasonography in postmenopausal bleeding (*tip*), October, p. 1517

postpartum
postpartum care (*article*), October, p. 1465
postpartum fever (*article*), August, p. 531

preconceptional care
ACOG issues technical bulletin on preconceptional care (*med rep*), September 15, p. 1209

prednisolone
prednisolone for early treatment of rheumatoid arthritis (*tip*), November 1, p. 1866

pregnancy
adverse pregnancy outcomes and young maternal age (*tip*), September 15, p. 1201
CDC advocates routine counseling and voluntary testing for HIV in all pregnant women (*med rep*), September 1, p. 1019
Doppler ultrasonography in high-risk pregnancies (*tip*), October, p. 1502
effect of magnesium on leg cramps during pregnancy (*tip*), October, p. 1499
hypoglycemia and insulin therapy during pregnancy (*tip*), August, p. 650
long-term effects of iron supplements during pregnancy (*tip*), November 1, p. 1895
safety of low-dose aspirin therapy during pregnancy (*tip*), September 15, p. 1184
treatment of pyelonephritis in pregnant women (*article*), July, p. 289

use of slow-release theophylline in pregnancy (*tip*), August, p. 626

premature birth
treatment of infections for prevention of premature birth (*tip*), December, p. 2365

premature rupture of membranes
management of premature rupture of membranes (*tip*), September 15, p. 1187

premenstrual
effectiveness of fluoxetine in premenstrual dysphoria (*tip*), October, p. 1568

prenatal diagnosis
contemporary approaches to prenatal diagnosis (*article*), December, p. 2277
prenatal diagnosis: more than meets the eye (*ed*), December, p. 2173

prenatal education
impact of prenatal education on postpartum anxiety (*tip*), August, p. 646

preterm delivery
cervical measurement to predict preterm delivery (*tip*), November 1, p. 1912

preterm labor
ACOG releases technical bulletin on preterm labor (*med rep*), November 15, p. 2105
preterm labor: ACOG guidelines for care (*ed*), November 15, p. 2000

primary care research
putting primary care research into family practice (*ed*), November 15, p. 2006

proctalgia fugax
proctalgia fugax (*article*), December, p. 2238

progesterone
alprazolam vs. progesterone in the treatment of PMS (*tip*), November 15, p. 2085

progestin
use of estrogen and progestin and the risk of breast cancer (*tip*), November 1, p. 1879

prostatic hyperplasia
managing patients with benign prostatic hyperplasia (*article*), July, p. 135

psoriasis
treatment of psoriasis: role of calcipotriene (*article*), July, p. 237

pseudotumor of infancy
pseudotumor of infancy and congenital muscular torticollis (*article*), November 1, p. 1731

pulmonary embolism
calf asymmetry in patients with suspected pulmonary embolism (*tip*), August, p. 610

purpura
palpable purpura: an algorithmic approach (*article*), October, p. 1355

pyelonephritis
acute focal bacterial pyelonephritis (*article*), September 1, p. 919
treatment of pyelonephritis in pregnant women (*article*), July, p. 289

Q
R

rape
caring for women who have been raped (*tip*), July, p. 269

renal
intranasal desmopressin for acute renal colic (*tip*), September 1, p. 1001

renal failure
preventing chronic renal failure in diabetes (*ed*), November 1, p. 1660
preventing disease progression in chronic renal failure (*article*), November 1, p. 1783

respiratory disorders
common clinical presentations of occupational respiratory disorders (*article*), September 1, p. 939
oral vs. intravenous antibiotics for lower respiratory infection (*tip*), October, p. 1547
resistant respiratory pathogens and extended-spectrum antibiotics (*article*), November 1, p. 1739

rhabdomyolysis
acute exertional rhabdomyolysis (*article*), August, p. 502

rheumatoid arthritis
prednisolone for early treatment of rheumatoid arthritis (*tip*), November 1, p. 1866

roentgenogram
abdominal roentgenograms in children with encopresis (*tip*), November 1, p. 1864

rheumatoid arthritis
radiology of rheumatoid arthritis (*article*), October, p. 1372
use of hydroxychloroquine in rheumatoid arthritis (*tip*), July, p. 274

S

scabies
effectiveness of ivermectin in the treatment of scabies (*tip*), October, p. 1552

scaphoid fracture
office orthopedics: thumb spica casting for scaphoid fractures (*article*), September 15, p. 1113

sciatica
diagnosis and management of low back pain and sciatica (*article*), October, p. 1333

seborrheic
seborrheic dermatitis (*article*), July, p. 149

seizure
febrile seizures: a decision-making analysis (*article*), October, p. 1401
ibuprofen and acetaminophen in children with febrile seizure (*tip*), October, p. 1514
optimal management strategy for recurrent febrile seizure (*tip*), November 1, p. 1853
value of magnesium sulfate in prevention of eclamptic seizure (*tip*), November 1, p. 1907

sepsis
review of tests for the diagnosis of neonatal sepsis (*tip*), September 15, p. 1184
value of lumbar puncture in neonates with sepsis (*tip*), November 1, p. 1880

serotonin
serotonin syndrome (*article*), October, p. 1475
serotonin syndrome: what family physicians need to know (*ed*), October, p. 1263

short stature
growth hormone therapy in idiopathic short stature (*tip*), October, p. 1542

sickle cell
hydroxyurea for management of painful sickle cell crises (*tip*), September 15, p. 1200

silicone implants
diagnosis of breast cancer in women with silicone implants (*tip*), September 1, p. 1013

sinusitis
diagnostic value of symptoms in acute maxillary sinusitis (*tip*), October, p. 1521
three-day treatment of acute maxillary sinusitis (*tip*), August, p. 641

sleep apnea
adult sleep apnea syndromes (*article*), September 1, p. 859
diagnosis of sleep apnea using portable transducer catheter (*tip*), December, p. 2365

sleep position
influence of recommendations for infant sleep position (*tip*), November 15, p. 2100

smoking
effect of cigarette smoking on risk of breast cancer (*tip*), October, p. 1532

snoring
effect of snoring on nocturnal oxygenation levels (*tip*), December, p. 2360

somatoform disorder
somatoform and related disorders: delivery of diagnosis as first step (*article*), July, p. 193

splints
use of posterior night splints in the treatment of plantar fasciitis (*article*), September 1, p. 891

SSRIs
patient compliance with SSRIs and tricyclic antidepressants (*tip*), October, p. 1563

stature
growth hormone therapy in idiopathic short stature (*tip*), October, p. 1542

stenosis
carotid stenosis in candidates for lower-extremity bypass (*tip*), December, p. 2353

steroid
treatment of impotence related to anabolic steroid use (*tip*), August, p. 622

stethoscope
stethoscopes: a potential vector of infection (*tip*), December, p. 2345

stroke
AHCPR post-stroke rehabilitation guideline (*ed*), August, p. 404
ACP guideline on drug therapy for stroke prevention (*ed*), July, p. 58
post-stroke rehabilitation: assessment, referral and patient management (*article*), August, p. 461
systematic approach to diagnosis and initial management of stroke (*article*), July, p. 225

substance abuse
identifying substance abuse in primary care (*article*), November 15, p. 2029
patterns of psychoactive substance use among adolescents (*med soc*), November 1, p. 1693

sucrose
analgesic effect of oral sucrose solution in newborn infants (*tip*), October, p. 1517

Index to Volume 52

surgery
early oral feeding after elective colorectal surgery (*tip*), November 1, p. 1900
outcome of gallbladder surgery in a small rural hospital (*tip*), July, p. 277

syphilis
results of lumbar puncture in patients with latent syphilis (*tip*), November 15, p. 2093

T

tachypnea
significance of tachypnea in febrile children (*tip*), September 1, p. 996

television
food advertisements on children's television (*tip*), October, p. 1522

tetanus
prevalence of tetanus immunity in the United States (*tip*), September 1, p. 1012

theophylline
use of slow-release theophylline in pregnancy (*tip*), August, p. 626

thiamine
thiamine supplementation and left ventricular function (*tip*), October, p. 1540

thumb spica casting
office orthopedics: thumb spica casting for scaphoid fractures (*article*), September 15, p. 1113

thyroid
interpreting thyroid tests (*article*), December, p. 2325

tobacco
children and tobacco: the Clinton administration proposal (*FDA*), September 15, p. 1205
need to identify smokeless tobacco users (*ed*), October, p. 1271
smokeless tobacco: epidemiology, health effects and cessation strategies (*article*), October, p. 1421

toenail
management of ingrown toenails (*article*), July, p. 181

torsades de pointes
torsades de pointes and long QT syndromes (*article*), October, p. 1447

torticollis
pseudotumor of infancy and congenital muscular torticollis (*article*), November 1, p. 1731

Torulopsis glabrata
role of *Torulopsis glabrata* infection in vaginitis (*tip*), September 1, p. 969

trial of labor
trial of labor vs. elective repeat cesarean section (*article*), November 1, p. 1763

tricyclic antidepressants
patient compliance with SSRIs and tricyclic antidepressants (*tip*), October, p. 1563
tricyclic antidepressants in children and adolescents (*tip*), September 1, p. 1005

tuberculosis
routine tuberculosis testing for hospital employees (*tip*), October, p. 1492

U

ulcer
costs of duodenal ulcer therapy with antibiotics (*tip*), October, p. 1499
detecting osteomyelitis by probing pedal ulcers (*tip*), August, p. 632
management strategies in suspected ulcer disease (*tip*), November 1, p. 1890
prevention of NSAID-induced ulcers with misoprostol (*tip*), December, p. 2341
prophylactic aspirin use and risk of peptic ulcer bleeding (*tip*), September 1, p. 1002
risk of pressure ulcers among hospitalized patients (*tip*), September 1, p. 985

ultrasonography
diagnostic ultrasonography for solid breast nodules (*tip*), October, p. 1524
Doppler ultrasonography in high-risk pregnancies (*tip*), October, p. 1502
evaluating ocular trauma with ultrasonography (*tip*), October, p. 1536
transvaginal ultrasonography (*article*), September 1, p. 875
transvaginal ultrasonography in postmenopausal bleeding (*tip*), October, p. 1517

urethritis
single-dose treatment of nongonococcal urethritis (*tip*), November 1, p. 1895

urine
routine urine dipstick screening at prenatal visits (*tip*), October, p. 1552

V

vaccination
low-dose hepatitis B vaccination in adolescents (*tip*), July, p. 282

vaccine
AAP recommends use of live attenuated varicella vaccine (*med rep*), November 1, p. 1921
anticoagulation therapy and the influenza vaccine (*tip*), November 15, p. 2093
safety of measles vaccine in children with egg allergy (*tip*), September 1, p. 974
thoughts on the varicella vaccine (*ed*), November 1, p. 1656

vaginitis
role of *Torulopsis glabrata* infection in vaginitis (*tip*), September 1, p. 969

varicella
AAP recommends use of live attenuated varicella vaccine (*med rep*), November 1, p. 1921
thoughts on the varicella vaccine (*ed*), November 1, p. 1656

vasectomy
annual rates of vasectomy performed in the United States (*tip*), September 1, p. 1011
vasectomy counseling (*article*), October, p. 1395

VBAC
VBAC clinical policy: an AAFP guideline (*ed*), November 1, p. 1655

ventricular function
thiamine supplementation and left ventricular function (*tip*), October, p. 1540

violence
domestic violence: results of a written questionnaire (*tip*), October, p. 1559
initial assessment and intervention strategies to reduce workplace violence (*article*), September 15, p. 1169

vitamin E
intake of vitamin E and delay of coronary atherosclerosis (*tip*), November 1, p. 1888

vitreoretinal
vitreoretinal emergencies (*article*), October, p. 1415

W

weight-for-gestational-age
weight-for-gestational-age tables for U.S. populations (*tip*), November 15, p. 2097

weight loss
clinical significance of weight loss in elderly persons (*tip*), August, p. 608

wet mount
wet mount and cervical culture in cervical cytology (*tip*), September 1, p. 983

wheezing
breast feeding and rate of recurrent wheeze (*tip*), November 1, p. 1868
significance of wheezing in infants and young children (*tip*), July, p. 276

women
caring for women who have been raped (*tip*), July, p. 269
CDC advocates routine counseling and voluntary testing for HIV in all pregnant women (*med rep*), September 1, p. 1019
diagnosis of breast cancer in women with silicone implants (*tip*), September 1, p. 1013
effect of alcohol use on rates of mortality in women (*tip*), September 15, p. 1191
prevalence and significance of bacteriuria in elderly women (*tip*), October, p. 1554
risk factors for incidence of hip fracture in white women (*tip*), August, p. 653
treatment of pyelonephritis in pregnant women (*article*), July, p. 289

X

Y

Z

zidovudine
early zidovudine treatment for patients with HIV infection (*tip*), December, p. 2358
zidovudine and prevention of perinatal HIV transmission (*ed*), September 1, p. 745

zinc
zinc supplementation and effect on birth weight (*tip*), December, p. 2346
